An Ohio "Excellent" Rated School ~ 2003 National Blue Ribbon School

February 19, 2025

Dear Kalida Local Schools Parents:

On Thursday, February 13, Kalida Schools experienced its 7th calamity day for the current school year. We are making up two of those days with in-person makeup days on Friday, March 21 and Monday, April 21. In the event the district needs to close school again in the future for whatever reason, the district will immediately implement remote learning days for its students and staff. By using this approach, we can apply learning without interruption and forego the need to add days to the end of the adopted school calendar. We can utilize up to three remote learning days, if necessary.

Moving forward, the next time school is closed, an E-learning/Remote learning day will occur and students in grades 5-12 will be instructed to login and students in K-4 will follow the directions in packets given to them by their teachers. Please do not hesitate to contact the school if you have any questions or concerns. Attached to this letter are the E-Learning and Remote learning schedules and expectations for students and staff.

Respectfully,

Karl Lammers
