Congratulations Class of 2025

On Sunday, May 25, the Kalida High School Class of 2025 graduated 43 students. This was a tremendously talented class, which included 13 valedictorians, 1 salutatorian, 26 honor graduates who earned a 3.5 or higher grade point average, and 2 National Merit Scholarship finalists. The future endeavors of our graduates span a wide array of career interests as their selected majors in college and vocational training cover a great variety of fields and professions. Eight KHS graduates will be working full time after graduation. Thirty-three of our forty-three graduates will be attending colleges and universities not only in the Putnam County area but also throughout all regions of Ohio as well as outside the state. Ohio State University University was the big winner with this class attracting ten Wildcat college-bound students to become Buckeyes - 7 of the 10 are attending the main campus in Columbus, 2 will be on the OSU-Lima regional campus, and 1 more on the OSU-Newark campus. Other colleges, universities and educational entities where our new alumni will be attending include the following:

Bowling Green State University – 7
James A. Rhodes State College—3
Ohio Northern University – 1
Ohio State University (Columbus Campus) – 7
Ohio State University (Lima Campus) – 2
Ohio State University (Newark) - 1
Ohio State Beauty Academy - 1
Owens Community College – 2
University of Cincinnati (main campus) - 2
University of Findlay - 2
University of Northwestern Ohio - 2
University of Toledo – 3
Trine University(Angelo, IN) - 1
GROB Apprenticeship Program - 1
(GROB Systems Inc. - Bluffton, OH)

This class continues to carry on the tradition of excellence at Kalida High School. We are extremely proud of all our graduates for their accomplishments and wish them nothing but the best in their future endeavors as they represent their families, community, and our school. Congratulations, Class of 2025, and as always – Wildcat Pride!!

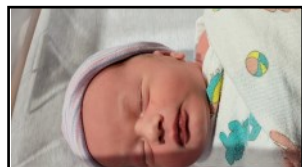

~Mr. Jeff Clement, Guidance Counselor

Congratulations!

Congratulations to Mr. Mitch Gable. On April 26 he married Miss Blake Anderson.

May they be blessed with a lifetime of love and happiness. Mr. Gable is our Agricultural teacher and FFA Advisor.

Neil Gerding and his wife, Alexis, welcomed Peter Douglas, born on Friday, April 25. Neil is our high school Government & History teacher.

Kristen Sebenoler and her husband, Tyler, welcomed Landon Andrew, born on Wednesday, April 9. Kristen is our Spanish teacher.

Engineering Capstone Drones

Senior students in Mr. Liebrecht's Engineering Capstone class designed and developed a seed spreader that was attached to a drone. The seniors who were part of this project were

Grant Fortman, Jackson Schroeder, Ryan Verhoff, and Drake Zeller. These students researched, purchased, and developed the drone to use the spreader they designed. After many unsuccessful attempts, they made the spreader work while flying the drone. This drone was part of a \$5000 grant that Mr. Liebrecht received from the Battelle Foundation.

2025 Prom

Queen Katherine Krouse and King Jack Stechschulte

On May 3 the Juniors and Seniors, along with their dates, enjoyed a night in "Hollywood" at the Kalida Knights of Columbus Hall. Thank you to our Prom Advisor, Mrs. Carrie Patrick, for working to create an enjoyable prom for the students with the Junior Prom Committee. After prom they enjoyed a fun-filled night of post-prom activities sponsored by the Junior Class Parents.

Retirement News

Karl Lammers

A Message of Gratitude Upon My Retirement

As I prepare to retire from my role as Superintendent, I want to take a moment to express my deepest gratitude to everyone who has supported our schools, our mission, and most importantly, our students.

To the community—thank you for your unwavering support, your investment in education, and your belief in our shared vision. Together, we continue to build something truly special.

To the parents and families—thank you for entrusting us with your children's education. Your partnership, commitment, and advocacy have been vital in shaping a supportive and enriching environment for all learners.

To my colleagues—It has been a privilege to serve alongside such a dedicated, passionate, and talented group of educators and support staff. Throughout the years, I have witnessed countless examples of your commitment to students, your collaboration with one another, and your

resilience in the face of challenges. While I look forward to my next chapter, I will carry with me the memories of our shared efforts and accomplishments. Thank you for the teamwork and the many ways you have enriched my journey. I leave with confidence that the future of our schools is in capable, caring hands.

To the students—past and present—you have been the heart of this work. Watching you grow, learn, and achieve has been the most rewarding part of my 38 year career. I love reuniting with graduates and hearing all about their journeys since high school, then get a good feeling inside that I may have played a small role in their successes as adults. Please fill me in when our paths cross.

There is still a bit of uncertainty as to what lies ahead for me in retirement, but I will stay busy. Gretchen and I will continue to travel, and with six grandchildren nearby, my time and energy will easily be focused on them even more. It's hard to say goodbye to a place where I've grown, learned, and shared so many meaningful experiences. The laughter, the challenges, the victories, and even the setbacks — they've all shaped me and will stay with me.

Onward — to new adventures and the next great chapter. ~ **Mr. Karl Lammers**

Roxanne Schumacher

After 33 years of teaching algebra, it's time for me to log out of Schoology one last time and begin a new chapter. It's hard to put into words what this journey has meant to me. I've had the privilege of watching students grow—not just in math, but as young people finding their way in the world.

To the students—I hope that, somewhere along the way, you took with you a small piece of knowledge—maybe how to solve for x, or maybe just the confidence to keep trying when something doesn't make sense right away. Watching your "aha" moments has been one of the most enjoyable parts of my career.

To the community and our school administration—Thank you for your constant support. Your trust allowed me to push the students to grow a little each day.

As I step away from the classroom, I do so with deep gratitude and pride (WILDCAT PRIDE that is). Thank you for the memories! Take care, ~ **Mrs. Roxanne Schumacher**

Mary Smith

It has truly been a pleasure to work in the Kalida School System. Thanks to the administration, staff, and community for their support over the years. I will always treasure the friendships and memories we've built together. Thanks to the students for your curiosity, your courage, and trust. Watching you grow and find your own paths has been the best part of this job. Though I'm retiring from the classroom, I'll never stop being a teacher at heart. Teaching at Kalida Schools has been a dream job. ~ **Mrs. Mary Smith**

Mrs. Carol Bockrath

Throughout the years, I have had the pleasure of watching countless students grow and make important life decisions. Each and every day has been a unique experience, and I appreciate the opportunity to get to know every student. Moving forward, I will miss seeing their smiling faces and all the compliments they have given me over the years. All of these students have touched my life and made me so happy and grateful for this school district.

Furthermore, I have also been blessed to work with a wonderful staff. Everyone has been so supportive through the years, and I am so grateful for the opportunity to be a part of Kalida Local Schools--during the day and for extracurricular events. It truly has been a privilege to work here. In the future, I am looking forward to continuing my loyalty by supporting not only my grandkids (but all of my "kids") in the athletic and musical programs.

Go Wildcats!!! ~ **"Mom" a.k.a.— Mrs. Carol Bockrath**

Labs Working Together

The Vantage Network Systems Seniors teamed up with the Electricity lab to collaborate on the wiring of the on-site module training house. While the Electricity students ran the electrical work throughout the build, the Network Systems students were able to hook up the CAT5 network cables. By having program collaboration, our students are able to experience other industry work and enhance their skills in team projects. Pictured are Kalida students Evan Fischnich and Carson Kahle.

2025-26 Information

7th & 12th Grade Vaccination Requirements

Prior to August 19, 2025, 7th graders are required to have both the Tdap and Meningitis (MCV4) vaccine and 12th graders are required to have two doses of the Meningitis vaccine. Upload the shot record into FinalForms OR drop off a copy at the school. Schedule an appointment at the Putnam County Health Department (419-523-5608) or with your family physician.

Remind

It is time to review your Remind App preferences for the upcoming school year. You can access the information from the Remind app on your cell phone or visit our **Remind App link** on the school district's website under the Resources Tab: <http://kalidaschools.org/cms/index.php?page=remind-notifications>

GIVE BLOOD

You can make a difference

American Red Cross

During the 2024-25 school year Kalida High School collected a total of 200 units of blood. Meeting this benchmark

made us eligible for scholarship money for our graduating seniors from the American Red Cross. Thanks to all who donated this year at our school sponsored blood drives. ***KHS Summer blood drive is Wednesday, July 23 from 12 p.m. to 6 p.m. at Kalida High School. Appointments are highly recommended. To schedule an appointment:***

(below are scheduling options)

- Log into your American Red Cross app
- Scan the QR code to schedule appointment.
- Go to redcrossblood.org
- Call 1-800-REDCROSS

We encourage you to use the Red Cross Blood Donor App or contact Mrs. Beth Grime at 419-532-2750 to schedule.

Substitute Bus Route/Extra-Curricular Bus Driver Openings

Kalida Local Schools is looking to add Bus Drivers to their Substitute Route/Extra-Curricular Driver listing. Qualified candidates must hold or be eligible to achieve the valid and appropriate licensure with the Ohio Department of Education & Workforce (ODEW). If interested please contact

Karl Lammers, Superintendent, ka_supt@kalidaschools.org or cheryl.simon@kalidaschools.org or call 419-532-3534 to apply or inquire about information on how to obtain your Class B CDL with School Bus/Passenger Endorsement.

Kalida Local School utilizes PaySchools Central payment portal for lunch accounts and online student fee payments. **This program allows you to pay school fees online, monitor the student's lunch purchases & balance, limit spending, add money to their lunch account, transfer money between siblings, sign up for low account text alerts and enter an online Free & Reduced-Price Meal Application (open after July 1st).** If you have not already created an account with www.payschoolscentral.com, we encourage you to create your free account.

Convenience and Processing Fees —The following fees will be incurred for each PaySchools Central Transaction:

- Paid with Checking-account transfer: \$1.25
- Paid with debit or credit card: 3.25%

To Avoid Processing Fees: Send *cash or check* to the school in an envelope with the student's name, ID/lunch account number and amount enclosed for your child's lunch account and student fees.

2025-26 School Year Kalida Local Schools FinalForms link opens June 5

There are a few changes and additions from last year. **Parents please review all information and sign all forms prior to AUGUST 1st.** Students in grades 7 through 12 will also log into FinalForms with their school email address and the password they created to complete and sign their forms. Additional information is located on the school district's website, under the Resources Tab: <http://kalidaschools.org>

Transportation Tab—Updates Due July 25

Please have all the transportation requests updated on the FinalForms Transportation Tab for each of your children prior to July 25 to ensure proper transportation needs are met for your family. Our transportation department will work with our bus route drivers in late July to create all bus routes. If you have any questions, please call 419-532-3534.

SUMMER EBT—What is it?

The Summer Electronic Benefit Transfer Program for Children (Summer EBT or SUN Bucks) began in 2024 and continues for 2025. This program provides grocery benefits to low-income families with school-aged children when schools are closed for the summer. Summer EBT benefits will either be loaded to a household's Ohio Direction Card, or a benefit card will be sent in the mail to each eligible child. Families can use the money to buy food during the summer at grocery stores, farmers markets, and other authorized retailers. Families will receive a one-time benefit of \$120 for each eligible child and participation will not affect children or families' immigration status.

How do I know if my child is eligible to receive Summer EBT/Sun Bucks and how do I apply?

Many families will get Summer EBT/SUN Bucks automatically if they are getting other benefits, but some families may need to apply for the program. If your household already participates in SNAP, OWF, or if income eligible and receiving Medicaid benefits, your child will automatically be enrolled to receive summer benefits. **You do not need to fill out an application or take any further action.** Similarly, households who have been approved for free/reduced meal benefits at their school will be submitted to automatically receive the summer benefit with no further action.

If you are not automatically enrolled, but you believe that your child might be eligible, you can check your income eligibility and apply for SEBT by completing an application through August 15, 2025 at: <https://sebt.ohio.gov>
