No School – Quarter Break Monday, October 27

COSI on Wheels is back! – October 22

This year's program, *Exploring Ecology*, takes an exciting look at ecology via a high-energy, 45-minute assembly followed by a number of small group, hands-on activities in which students explore the outdoors, investigate animal adaptations and life cycles, and learn how parts of an ecosystem are connected. If you are interested in helping as a station volunteer, please send a note with your child or email Mrs. Luderman at ka_luderman@kalida.k12.oh.us

Newsletter on the Home Page

Please note the school lunch menu, the elementary newsletter, the student handbook and much more can be found on the Kalida School web site <http://kalida.k12.oh.us> Check it out!

Red Ribbon Week – October 27-31

During the last week of October, students will be participating in many activities that focus on living a drug-free lifestyle. The 2014 theme is "Love Yourself, Be Drug-free"

Fire Prevention Week – October 6-10

On Friday, October 10, the Kalida Fire Department will be bringing the fire safety trailer to school. Students in grades K-3 will learn about fire safety and fire dangers in a life-like setting. Thank you firefighters!

School Lunch Days

Each month we will be hosting a School Lunch Day for a different grade level. On Friday, October 17, we will be hosting the first School Lunch Day for 5th grade. The 4th grade School Lunch Day will be in November and the 3rd grade in January. We encourage you to enjoy a cafeteria meal right alongside your child. Please call the office to reserve a spot for lunch.
