### SCHOOL FINANCE

Districts across Ohio continue to wait on Governor Kasich and the Ohio General Assembly to introduce and finalize a state budget for the next biennium. The state of Ohio is facing a \$4 billion to \$8 billion dollar budget deficit. Schools have been told to anticipate cuts from 10% to 20% in state funding. As was mentioned in previous editions of the Paw Print, these cuts would be devastating to Kalida Local Schools.

When Governor Strickland proposed the current biennial budget, the district went from an average of 3% increases in funding each year to being flat funded last year, and cut by 2% this current year. This flat funding and decrease in funding has changed our financial outlook from a positive to extremely negative in a very short period of time. Just this change has prompted a number of belt tightening measures in the school district. Those measures and additional reductions in spending are going to be needed even if Governor Kasich were to flat fund schools in the next biennial budget. With that in mind I will be recommending approximately \$270,000 in cuts at the February 9, 2011 Board of Education Meeting. While these decisions are both heartbreaking and difficult, they are absolutely necessary to address the budgetary issues being faced by the district.

I would encourage all of you to view the 5-year forecast for the district, which is available on the school website, and if you have any financial or budgetary questions to please contact Don Horstman or Cindy Webken in the Superintendent's office. The phone number is 419-532-3534, or you can email the superintendent at [ka\\_supt@kalida.k12.oh.us](mailto:ka_supt@kalida.k12.oh.us) or the treasurer at [ka\\_treas@kalida.k12.oh.us](mailto:ka_treas@kalida.k12.oh.us)

### ENHANCEMENT COMMITTEE TEACHER REQUESTS GRANTED

We would like to thank the reserved season ticket holders and the enhancement committee for a number of teacher driven projects that were approved in January. When the new building was constructed a group of district residents formed a committee to raise private funds to add things to the building project that the Ohio School Facilities Commission would not provide. The committee added a number of enhancements in the first phase of construction including computer lab/computer equipment, the auditoria sound system, science lab upgrades/science equipment, risers for musical/concert seating, scoreboards/scorer's table, and additional seating in the gymnasium just to name a few. One of the goals was to find a way to have a continuous revenue stream from the enhancement fund, and the reserved season ticket seating was one of the answers to this goal. This year the seats allowed us to fund approximately \$2,400 in projects. The committee was able to help with the purchase of six hotplates to be used in the high school and junior high science class rooms, a water purification system to be used in our Biomedical program, and an additional lapel microphone to be used during concerts and performances. The committee will also be purchasing two desk sized, sets of classroom whiteboards for the second grade, and a weather station for the first grade. These items will further improve the ability of our staff to improve instruction and enrich the academic experience of our students.

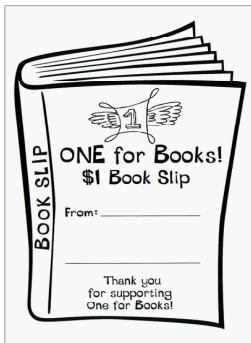

**Scholastic Book Fair** - The Kalida Middle/High School Library is hosting a Scholastic Book Fair on February 8-14, 2011, in the high school library. We invite you to our school to share in this celebration of books and reading. Not only does the book fair help raise funds for new library books, it encourages reading among our students.

The book fair will feature a wide range of books for middle/high school students, including mystery and adventure novels, fantasy trilogies, sports guides, manga, and the latest bestsellers from more than 150 publishers. Many of the books will be priced \$6 or less. The book fair will be open each day from 7:30 a.m. – 2:45 p.m. Parents, children, teachers, and the community are invited to attend.

**ONE FOR BOOKS**—This year, one of our goals is to put more books into the hands of students. We call it One for Books. Please donate just \$1 or loose change and sign the attached book slip with your name or child’s name. All signed book slips will be displayed at our Book Fair. All of the money collected goes directly to purchasing more books for the Kalida Middle/High School Library. Scholastic will match monetary donations raised with a donation of up to one million books to three non-profit organizations dedicated to helping kids and families in need. They include the Marine Toys for Tots Foundation, Kids in Distressed Situations, Inc., and the Kids In Need Foundation. Please send your dollar and signed paper Book Slip back to school

with your student or drop it off at the high school library or high school office. On behalf of the students and teachers of our school, thank you!

For more information about the Scholastic book fair and to see a sample of the featured books available, go to: <http://bookfairs.scholastic.com/homepage/kahs>

**Love books?** Volunteer to help at the book fair. You can decorate and set up, help kids select

books, work at the cashier’s table, or help pack up. There are lots of ways you can participate. Please call Denise Scherer at the high school library at 419-532-3528 if you would like to volunteer.

**THANK YOU NOTE** - A big “thank you” to everyone who supported the Elementary Book Fair this past November/December. The library will be able to add over 50 books with the proceeds from the book fair!!

Thanks also to the following people for helping at the book fair: Carol Bockrath, Connie Cleemput, Joyce Wurth, Joanne Horstman, Mary Jane Aversch, Jane Kleman, Rita Iliff, Tammy Schroeder, Kelly Wurth, Doris Bockrath, and Kody Heppard.

Two contests for the elementary students were held the week before the book fair started. First place winners received a \$5 gift certificate to spend at the book fair. Students winning the coloring contest were: Livia Recker, Grant Knapke and Dayna Schimmoeller. Students winning the guessing contest were: Danielle Buss, Trevor Vorst, Alexis Meyer and Tori Niese.

**Pretty Woman?** - The KHS Cats Who Care Club held a fundraiser in mid-January in honor of the late Andy Merschman. Students were asked to sponsor their favorite

male model who in turn had to dress like a woman. The Best Male Model award went to junior Drew Stechschulte who raised over \$200. Haley McIntyre and Nikki Kaufman selected his fashion designs. The student body had 28

models competing and as a group raised over \$1200. The funds will now be donated in Andy’s name to 4H Camp Palmer. Thanks to everyone who participated and helped make this a great success.

**Freshman Orientation Scheduled** - Freshmen orientation will be held the evening of Monday, Feb. 7 from 6:30 – 7:30 PM in the high school auditoria for parents and students of this year's 8th grade class – the class of 2015. It is important that you and your child attend this event so that information can be given to you that is relevant for your child's academic future and success. New graduation requirements which will impact this class, course scheduling, and exciting new programs will all be covered as well as other important issues.

**High School Scheduling** - Pre-registration for course scheduling for students entering grades 10-12 next year will take place on Friday Feb. 11. A parent signature is required on the student's scheduling form. Completed schedule forms must be given to each student's respective English teacher by Feb. 18.

**Post-secondary/Dual Enrollment/AP Meetings Scheduled** - On Monday, Feb. 14 at 6:30 PM there will be a meeting in the auditoria for the parents of any high school student who may be interested in taking a college course during next school year. We offer two options at Kalida High School for students to take college courses. One option is of the post-secondary option variety through James A. Rhodes St. College and the other is Dual Enrollment through Wright St. University. There are a couple of significant differences between the two programs so representatives from both institutions will be present to clarify them and answer questions. The following courses at Kalida High School are high school courses which can be taken for college credit: Psychology, Computer Applications, Calculus, Anatomy & Physiology, English 11, and AP English Literature and Composition. Thus, it is important that parents of students planning to take these courses next year attend this informational session. In addition, the Ohio Department of Education mandates that parents must attend an informational meeting before their students are eligible to participate in the program.

**AP Course Sessions** - There will be meetings on Monday, Feb. 14 at Kalida High School for students and their parents taking any advanced placement (AP) courses next year. These are courses which can also earn students college credit upon completion of the AP exams which are given at the end of each school year. AP courses offered at Kalida include the following with the grade level required for participation in parenthesis: American History (10, 11, 12), Government (12), Statistics (11 or 12), Biology (11 or 12), and English (12). For convenience, these meetings will begin at approximately 7:30 PM and will follow the above mentioned PSEOP/Dual Enrollment session since many parents will need to attend both. The schedule of the meetings is as follows:

<b>AP American History</b>	7:30 PM	Mr. Gasser's room	#106
<b>AP English</b>	7:30 PM	Mrs. Gerding's room	#108
<b>AP Biology</b>	8:00 PM	Mr. Gordon's room	#109
<b>AP Government</b>	8:00 PM	Mr. Gasser's room	#106
<b>AP Statistics</b>	8:00 PM	Mr. Huber's room	#214

### **Vantage Information for Sophomores**

A representatives from the Vantage Career Center made a presentation to the entire sophomore class on January 18 at Kalida High School. On Feb. 2 all sophomores will take a field trip to the Vantage Career Center to obtain information on two programs of their choice. Applications for next year's enrollment will be distributed on this day. Any sophomore who wishes to be considered for enrollment at Vantage for the 2011-12 school year should complete the application and turn it in to the Kalida High School guidance office by Feb. 11.

### **Plan Results Shared With Sophomores**

On Jan. 12 results for the PLAN (pre-ACT) were shared with those sophomores who took the assessment in December. Each student received a personalized score report along with the original question booklet. Also, a chart was given to each student who took the PSAT in October so that they could compare the two assessments.
